## To The Class of 1990

As your long awaited senior year finally arrived, your common goals brought you together, despite some uncertainties and frustrations. You looked forward to a memorable senior year and you have accomplished that end. You were able to search and discover your own talents whether they be academic, athletic, or artistic. I hope that you have also learned much about yourself and will be able to extend your confidence, abilities and talents into other endeavors of your life.

As you revel in the excitement of your graduation, take the time to thank your teachers, parents, and administrators for providing you the support, encouragement, and guidance during your high school years. Finally, I end this message with this parting thought:

"Take your time, think a lot,  
Think of everything you've got,  
For you will still be here tomorrow,  
But your dreams may not." -Cat Stevens

Richard Kiesel  
Superintendent of Schools

## To The Class of 1990

My best wishes to all the members of the Class of 1990. Graduation from high school is an important achievement. For all of you it is the result of twelve years of work and accomplishment. We hope that you will have cause to look favorably on these past four years. The good times at school, the hard work, the togetherness, the close friends and the many successes should give each of you pleasant memories of D-R for years to come.

We hope that you are well prepared to meet the challenge that you must face in the years ahead. There is little else that your school can do for you now. During these past four years, we have attempted to help you to develop your best talents, skills and abilities. Now the time has arrived for you to apply those traits where they will make the most effective contributions to society.

Congratulations to each of you. You have been an outstanding class and I wish you peace and happiness.

Marshall Sawyer  
Principal

To The Class of 1990

My sincere best wishes to all of the members of the Class of 1990 for good health, good fortune and success in whatever endeavors they choose to pursue. We have high expectations for all of you. As you enter the last decade of the 20th century, you will be preparing for a most exciting time ahead. You can all be successful if you work diligently and with determination. When you finally make it, come back and see us or drop a note. You will always be a part of D-R, and we're always glad to hear from you.

George H. Petrin  
Assistant Principal

To the Class of 1990

Congratulations and best wishes to the class of 1990. You have the distinction of being the first class to graduate from Dighton-Rehoboth Regional High School in this decade. Be proud and believe in yourself. Use your gifts and talents wisely. Your contributions will bring us into the 21st century. There are many opportunities; put them together with responsibilities and success will be yours.

Francis M. Marcille  
Assistant Principal  
Director of Occupational  
Education

To the Class of 1990

My Congratulations to each of you as you graduate from high school and as you begin the next phase of your life. As you do, I have a thought for you:

"I expect to pass through this world but once. Any good therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now. Let me not defer or neglect it, for I shall not pass this way again."

I wish you well today, tomorrow, and always. May you use your talents wisely and generously.

Mr. William Henry  
Director of Guidance

The 1989 D-R Football Team faced adversity from the start, as construction of a new athletic wing and athletic fields prevented the team from having the full use of a locker room, weight room, and forced the team to play all of its games on the road. The final game of the season against arch-rival Seekonk provided D-R with its only victory of the season. Touchdowns were scored by Quarterback Barry Giller and Fullback Craig Cox with Split End Pat Sullivan catching a 2 point conversion pass. A stiff Falcon Defense held off a tough Seekonk squad late in the game to preserve the hard fought 14-8 victory.

*Seated:* K. Torres, B. Giller, P. Sullivan, C. Cox (C), D. Ball (C), E. Kortesius, J. Spreyer.

# Field Hockey

The varsity field hockey team enjoyed another successful season, finishing with a 10-5-1 record before being defeated in the first round of the state tournament, 1-0 in overtime. Co-captain Ann Kennon led the offense attack with 8 goals 6 assists followed by junior Julie Szala's 13 goals. Junior Kerri Lopes made her debut in goal and did a great job stopping 152 of 170 shots on goal for 87%. She also recorded 6 shutouts. Outstanding Seniors were: Co-captains Ann Kennon and Cathy Koss; Jennifer Jury, Gretchen Ulm, Dianna Indindoli, Heather Wilson, Stacey Burnett, and Lisa Caldwell. Best of luck to these fine ladies. The future looks promising since the junior varsity squad compiled a very impressive 13-1-2 record.

Hard work, enthusiasm, and team play paid off for the Falcons during the 1989 Fall Season. The team was able to rely on these 3 elements to overcome the loss of several key players due to graduation and surpass all expectations. With only 7 members on the Varsity Squad, 2 Seniors and 5 Juniors, the Falcons amassed an 18-2 Season-- The best in D-R History. The team also qualified for the State Tournament for the 3rd straight year. All seven players made key contributions during the season.

Running the Falcon offense were Jr. Co-Captain Cheryl Digits and Jr. Leigh Landry. Executing the offense were Sr. Co-Captain Becky Travis, Jrs. Diana Lund and Laurie Dingley. Controlling the Defense were Sr. Heather Solas and Jr. Meg Saxon.

The team's success proved that hard work, enthusiasm, and team work are the keys to outstanding seasons.

# Cross Country

The 1989-90 Boy's and Girl's Cross Country teams were the strongest in the school's history, earning overall records of 8-1 and 5-4 respectively. Justin Setchell and Greg Arnold were the senior co-captains, along with seniors John Egan, Mike Rose, Larry Sessums. What made the team so potent was the consistently outstanding running of senior Ken Monteiro and of freshman Aaron Kennon who emerged not only as South Coast Conference All-Stars but also as the number three and two runners in the Conference Championships respectively. Also, Aaron Kennon was only the second Dighton-Rehoboth harrier and the first Falcon freshman ever to qualify for the State Championships. In addition, junior Jared Gailles and freshman Rich Saxon, Matt Killam, A.J. Belcher, and Fred Fagundes demonstrated substantial pride, ability, and future promise for the Falcons' Boys' team.

Senior co-captain Dawn Silvia and sophomore co-captain Cary Hollinshead led a youthful Girls' team to one of its best seasons ever. Both Dawn and Cary were likewise selected as members of the South Coast Conference All-Star Team. Cary, the defending State Champion as a freshman, had another stellar year by winning not only the South Coast Conference Championship but also the Division III Eastern Massachusetts Championship for the second successive year. The Lady Falcons were further buttressed by seniors Amy Gilbert and Joyce Pike, junior Sara Charnecki, and a strong group of sophomores- Amy O'Connel, Kerri Angus, Sara Gaucher, in addition to a freshman Heather Johnson.

This year's Golf team began its season with virtually no varsity experience, but turned in a very respectable record of 6 wins, 9 losses and 1 tie. Major contributions were made by Mikel Martin and Tony Day, who were both selected to post-season All-Star teams. Seniors Aaron Dumont, Jason Tobin, sophomore Dave Glynn, and freshman Scott Irving started in most matches. Also seeing action during the season were sophomores Aaron Panovsky, Chris Jarvis, and freshmen Matt Perra, Brian Wade, Brian Hathaway, John Spelman, and Derek Anderson.

# Soccer

After graduating nine seniors from the 1988 team, the 1989 soccer team was looking to rebuild and improve. With the leadership of captains Leo Lake, Larry Spellman, Derek Trond and Joe Silva, together with seniors Marc Dupont and Pete MacDonald, the Falcons were able to post a 7-8-3 record, there best to date. Larry Spellman (11 points) and Leo Lake (9 points) led the team in scoring. Junior Joe Silva was a unanimous selection to the All-SCC squad. With many returning underclassmen (36), next year's squad looks to improve even more.

This year's boys varsity basketball team finished with a 4 game regular season winning streak to attain a 10-6 SCC record and an overall record of 13-7. Both of these records represent D-R bests since the start of the South Coast Conference five years ago.

Senior members of this year's team included Co-Captains Greg Arnold and Barry Giller, John Egan, Leo Lake, Jay Spreyer, and Patrick Sullivan. These seniors can be especially proud of their accomplishments, highlighted by their big late season victories over both league champion Apponequet and perennial power Nauset.

For the 3rd consecutive year, John Egan was named to the SCC All-Star Team. Other highlights of the season include John scoring his 1000th point and finishing his career as D-R's all-time leading scorer with 1377 points.

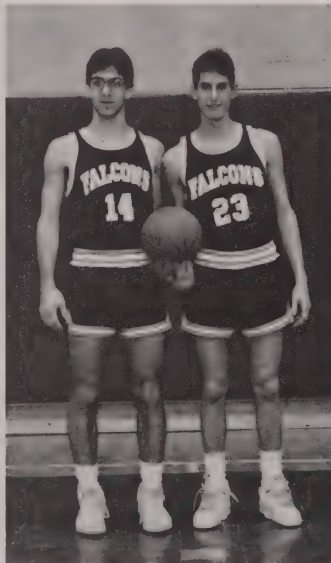

Barry Giller and Greg Arnold were selected as Honorable Mention All SCC and Jason Spreyer was the team's Most Improved Player.

With the departure of the six senior members of this year's team, a very successful era of D-R basketball comes to a close. The examples that they have set will have a long lasting effect.

# Girls' Basketball

The 1989-90 Girls Basketball Season saw two firsts. It was the first time the Falcons worked under head coach Stan Franczyk and the first time the Falcons won a State Tournament Game. It was also probably the first time that the Lady Falcons started such a young team as the starting squad consisted of 2 Sophomores, 2 Juniors, and 1 Senior. They were Heather & Jen Spellman, Meg Saxon, Julie Szala, and Ann Kennon respectively.

The Falcons paid for their inexperience early in the season as their record fell to 4&5 at just about mid point of the season. However, the price the Falcons paid early earned dividends in the second half of the season as they went 9-2 to finish the season with a record of 13-7. En Route to the 13 victories the Falcons knocked off the number one Conference Teams three times out of four. The Falcons' record also qualified them for the state tournament in which the team captured their first tourney victory beating Notre Dame 39-21.

Each of the Falcons made tremendous contributions to the squad during the length of the season, and these contributions hold great promise for future Lady Falcon Teams.

The village of Kulyenchivkov may look like a normal village...but wait...something has gone amuck! The town has been under a nurse....no, a purse...no, a hearse...NO! NO! A CURSE (that's it) for the past 200 years. The curse....stupidity! Enter Leon Tolchinsky, the smart, determined young school teacher hired to teach Sophia. Unfortunately, he can't even teach her how much 1 plus 1 equals, but they do fall in love. Through a series of ridiculous situations, the curse is broken and everyone regains their intelligence and Sophia and Leon live happily ever after.

# Girls' Track

The Lady Falcons' finished the 1990 trackseason with a 5-3 record. For the second straight year, the team overcame the burden of having no practice facility for any of its 16 scheduled events. As a result, the Falcons were forced to run all of their meets at away sites. These hardships, however, did not dampen their spirit or hinder their performances, as the Falcons were just points shy of a 7-1 season. Furthermore, the season saw 3 Falcons remain unbeaten in their respective events, senior Amanda Prata in the shot put, junior Leigh Landry in the discus, and sophomore Cary Hollinshead in the 1 and 2 mile events. All three girls were unanimously selected as Conference all-stars and went on to distinguish themselves at the State Class C Meet. Amanda placed 6th in the shot put, and Leigh Landry and Cary Hollinshead won their events (discus and 2 mile respectively) outright. Despite their tremendous accomplishments it was senior Jen Jury (another Conference all star) who led the team in scoring. She placed in four events in every dual meet. D-R's remaining all star, senior Stacey Burnett, along with senior Cathy Koss, junior Dawn Sears, and sophomore Meg Sullivan were also key contributors to the Falcons' success. This year's squad, lead by their three senior captains, Jen Jury, Dawn Silvia, and Amanda Prata, have accomplished much and ought to be very proud.

# Boys' Track

Even though the boys' track team has for the past two seasons been without a track and field facility on which to practice, this year's team proudly surmounted the adversity and achieved an outstanding 6-2 record, finishing third in one of the most competitive conferences in southeastern Massachusetts--the South Coast Conference. Three of the team's six victories were won in the final event, the mile relay. With the outstanding leadership and performances of Pat Sullivan, Barry Giller, Justin Setchell, and Mikel Martin, the strong middle distance and distance teams comprised of senior Ken Monteiro, junior George Korentis, sophomore Chris Silvia, freshman Conference All-star Aaron Kennon, and the jumping-hurdling abilities of sophomore Jeff Tracey, the Falcons surprised the entire Conference. Through hard work, pride, determination, and confidence, the 1990 Falcons defied the probability of a less than spectacular season and produced a truly outstanding record.

# Softball

The varsity softball team battled the rain and stiff competition to finish third in the South Coast Conference with a 10-5 league and 12-7 overall record. The rain postponed seven of the Falcons twenty regularly scheduled games forcing the team to play five games in a row in the final week of competition. The proud and determined Falcons won four of the five games qualifying for the Division II State Tournament for the fourth consecutive year. Seniors Ann Kennon, Heather Solas, Kerrie Tremblay and Heather Wilson all played an important role in the team's success over the past 4 years. The 1990 team wishes them the best of luck and much success in their future endeavors.

### State Tournament

The D-R Softball Team qualified for the state tournament with a 12-7 record and was seeded 12th of 15 teams. The Falcons defeated 5th seed Middleboro in the first round by a score of 8-1 ---following that with a 2-1 thriller over 4th seed, Walpole.

The semi-final round matched D-R with undefeated league rival and number one seed, Apponequet. When the dust had cleared, the Falcons had performed the impossible by pummeling the Lakers 11-2.

The Falcons witnessed a dream become reality when it captured the Division II South Softball Championship with a 6-2 victory over Case High School in the finals.

With two victories, the first over Stoneham in the State semi's and and the second over Turner's Falls in the finals by identical 10-2 scores, the Falcons earned the school's first state championship in its 30 year history!! Congratulations to the team for a job well done!!!!

## Boys' Tennis

The Dighton-Rehoboth Boys' Tennis Team faced a rebuilding year for the 1990 spring season. With three veterans and ten rookies, Dighton-Rehoboth played a difficult schedule against more experienced competition. Yet from March through May, the individual players practiced conscientiously and progressively developed their tennis skills. It is important to note that our boys' tennis team remains positively motivated and is eagerly anticipating the 1991 spring season.

## Girls' Tennis

The D-R Girls' Tennis team had several highlights in its season even though the win-loss record was not impressive. The team put together a three match winning streak; eleven members of the team were involved in at least one individual match victory; and the doubles team of Lisa Caldwell and Kim Freed had a 7-8 record against very strong competition at the first doubles level. The junior and sophomore members of the team showed much improvement as the year progressed. This fact points to a bright future for a team that will miss its seven seniors.

# — National Honor Society —

This year's National Honor Society has done a fine job with its annual fundraiser for the Dighton-Rehoboth Citizens Scholarship Fund. The senior members collected over \$1,000 at the Rehoboth Fair in August. The NHS was also asked to work a phone-a-thon for the American Heart Association at Princess House Inc. in Dighton in which the society collected \$2,950. NHS members have continued to participate in the South Coast Conference's Honor Bowl Competition with our team having a commendable record. Members have also maintained the tradition of tutoring other students in the school. The effort put forth by all the NHS members has been greatly appreciated.

# Falcon Flyer

With all the construction going on at the beginning of the year, it took us a while to get things organized. Our first edition was a real learning experience, and it showed. However, starting with our second paper, we began to turn out newspapers that were the best quality possible. It took a lot of work and some marathon layout sessions. We never would have been able to do it were it not for Mr. and Mrs. Rogala and their trusty Mac!!

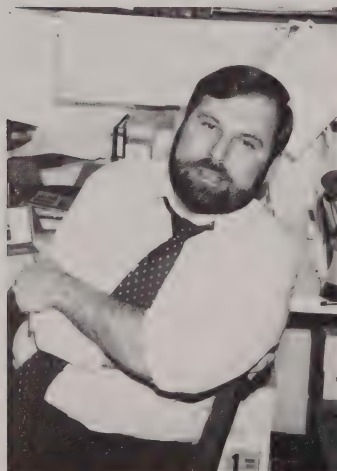

One of the highlights of the year was when three of our writers received first place awards in the All New England Competition at the New England Scholastic Press Association conference in March. Also, the newspaper itself received a meritorious award, which pleased us very much.

We had a few controversial articles over the year. Besides one on abortion, we had a regular dose of "Kimptonian Sarcasm" with the column, "Kimpton's Korner."

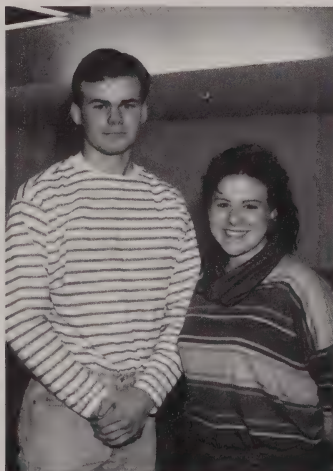

All in all, we are very pleased with the success we had this year and hope that D-R will continue to support "The Falcon Flyer."

"Teens Helping Teens" is the name of our Peer leadership program at DRRHS. It is composed of a group of students who work together to create a drug-free environment and to promote positive peer pressure. During the 1989-90 school year Peer Leaders were involved in a number of activities. In the Fall some of our Peer Leaders participated in a Smoking Prevention program at Palmer River School. All Peer Leaders helped celebrate "Red Ribbon Week." In December, we sponsored and took part in the "Eddie" production. This was followed by our annual Bottle and Can Drive in January. Suicide is an on-going concern for all those working with teenagers. A group of Peer Leaders received additional training in the area of suicide prevention. These students then educated all members of the classes of 1991 and 1992. Our next venture was investigating "Sexual Issues of the '90's". Several Peer Leaders were educated on the subject of "date rape" and then educated the entire student body. This group not only addresses current adolescent issues, but also is a need fulfilling, fun activity for all involved.

The Mock Trial tournament sponsored by the Mass. Bar Assoc. offers students a unique opportunity for those young people who aspire to become attorneys and for those who would like to learn more about the law. Mock trial enables these students an opportunity to participate as witnesses and as attorneys in a real courtroom, before a presiding superior court judge.

This year's Mock Trial Team opened its season with a trip to Brockton H.S.. D.R. also hosted Brockton here before many of the D.R. students and faculty. We won all of the preliminary trials in the Attleboro Juvenile Court, and the Fall River District Court. D.R. lost in a tie breaker against Nausett in Wareham District Court 105 to 103.

# D.E.C.A.

This year we feel that our DECA class was most successful. We not only competed with our written and oral events, we also opened our new store, which gave us a more realistic outlook on marketing and management. Our DECA chapter also held our 9th Annual Citizens Spagetti Super. We also planned and successfully held a Christmas party for the children at Meeting Street School, as well as maintaining and operating a booth at Taunton Expo center for four consecutive Sundays. This booth gave us a chance to educate more people about DECA as well as raise money for our conferences.

Throughout our DECA competitions, our students proved to be most knowledgeable in each of our areas. Overall, both the junior and senior classes proudly brought back 32 awards between both of our conferences. Two of our students were also eligible to continue competing with their projects in San Jose, California. Once again, we are all very proud of each of our students for giving their all to this club and keeping it successful.

# French Club

The French Club held its first meeting in late October with the election of officers and discussion of the club's activities as the main topics. Elected officers for the '89-'90 school year were President: Jennifer Benoit, Vice President: Joseph Silva, Secretary: Jennifer Pereira, and Treasurer: Melanie Varieur. Meetings were held approximately every 6 weeks. As is traditional for the club, students sampled French cheeses and other delicacies as part of most meetings. Some topics discussed this year included Christmas customs in France as well as Mardi Gras and its significance in the United States. Our spring calendar included guest speakers. Mr. Thayer and Mrs. Foley, both members of our science department, and Mrs. Budhiraja, a Rehoboth resident and a mother of one of our members, provided us with some very interesting and enriching presentations. Many thanks to them for sharing with us their experience in Europe, Asia Minor, and India.

With a strong senior leadership and great coaching by Mr. Rabouin , the D-R Math Team finished sixth out of twenty schools in the Southeastern Massachusetts Conference Math League. With this finish the team qualified for the prestigious playoff meet in this conference. Besides competition in this league, the math team competed in the Southeastern Massachusetts Math League and the New England Math League.

Overall the Math team was pleased with its performance and looks ahead for future success with hard working and experienced under-classmen.

# Student Government

The D.R. Student Government was established in order to build a better relationship amongst students and create a genuine respect for the faculty and staff. The government is comprised of 4 government officers, 4 class presidents, 6 representatives from each class, 2 student advisory council members, 1 representative to the school committee from each class, representative-at-large to the school committee and 2 school improvement council representatives.

The goals of the Student Government are two fold, to provide wholesome student activities and to produce outstanding future citizens. Some activities that the government has sponsored are the annual Thanksgiving Basket Drive for the needy, Red Cross Bloodrive, Teacher Appreciation Week, Time Capsule 2002, and the Turkey Dinner for the Citizen scholarship Fund.

The government also co-sponsors various activities with the D.R. Peer

Leaders, such as substance abuse programs, the play "Eddie", the presentation by Impriatre Players, and the Date Rape Program.

Lastly the group represents the concerns of the entire student body and

works as liasons between administration and students. Some issues that were addressed are dress code, smoking in the bathrooms, the student handbook, and driving to school.

For the first time in its 29 year history, the sytem used to produce the *Aurora*, changed significantly. This year, using *Aldus Pagemaker*, a professional desktop publishing system, the book was designed, type was set, and copy was submitted on computer disk. The new system afforded our staff numerous opportunities to view, edit, adjust and otherwise "fine tune" the final product like never before. The final result, we believe, is one of the finest yearbooks ever produced at Dighton-Rehoboth.

Our staff was small but very hard working. Special thanks are due Jennifer Biss, Karen LeBlanc, and Becky Travis for the many hours spent entering, proofreading and editing copy, scores, and captions. We would also like to thank our salespeople, Dawn Silvia, Dianna Indindoli, Erica Dansereau, Kerrie Trembly, and Heather Solas. Underclassmen involved in the production of their sections were Jennifer Biss, Bethany Coburn, Jennifer Lombardi, Kary Hollinshead, and Meridith Haskell. Special thanks are also due Mr. Flaherty for his technical assistance and advice. Last but certainly not least, the most credit goes to our editor, Jennifer Jury, who, despite involvement in three varsity sports found the time and energy to coordinate the many details involved in this undertaking.

# Drama Presents...

"The Music Man" came to our high school stage March 30, 31 and April 1, 1990, with its "Seventy-six Trombones" and all the other songs that have made it one of the favorites of all musical comedies. Brian Goldson starred in this melodic song-fest recalling small town life in 1912 Iowa. Brian portrayed the role of "Professor" Harold Hill, the disarming con-artist who alerts frozen-faced parents to such corrupters of their youth as pool halls and dime novels and then proceeds to charm them into digging into cookie jars and mattresses to buy uniforms and instruments for marching bands - led by the professor himself - only to skip town with the town's money. Alison King played the part of Marian, the librarian, whom the professor eventually falls in love with. Other principle players in the large cast, directed by Mrs. Dennis, and produced by Mr. Murray included Adam Carter as Winthrop Paroo, Jennifer Ulicnik as Mrs. Paroo, Duncan Tweedy as Mayor Shinn, Kate Lynch as Eualie, Jason Bzdula as Charlie Cowell, Bill Hebert as Constable Locke, Danny Ball as Marcellus Washburn, Kurt Long as Tommy DiJilas and Dianna Indindoli as Zaneeta Shinn. This was truly a community effort that joined both Junior High actors and band members, the elementary schools, the art, carpentry and music departments, and parents from Dighton and Rehoboth. The Arts are definitely alive and well at Dighton-Rehoboth Regional High School!

# Senior Awards Day

## **Robert T. Roy Medal**

***Ann Kennon***

The award is presented annually to the outstanding member of the senior class, i.e., the student who best demonstrates in his or her daily living those qualities exemplified and exhibited by Mr. Roy in his years of dedicated public service. These are: scholarship, honesty tempered with compassion, loyalty circumscribed by sportsmanship, dedication leavened by insight and humor, and achievement.

Ann's achievements and qualifications are numerous. She is the number 3 ranking student in the graduating class, and is a member of the National Honor Society. She has earned an academic award each semester while in high school. She has been a class officer for three years, and has been a writer for the newspaper for four years, serving as sports editor during her senior year. She has excelled in three varsity sports: basketball, softball, and field hockey where she led the team in scoring and achieved all star status for the third year in a row. Ann will be attending Harvard University as a pre-med major.

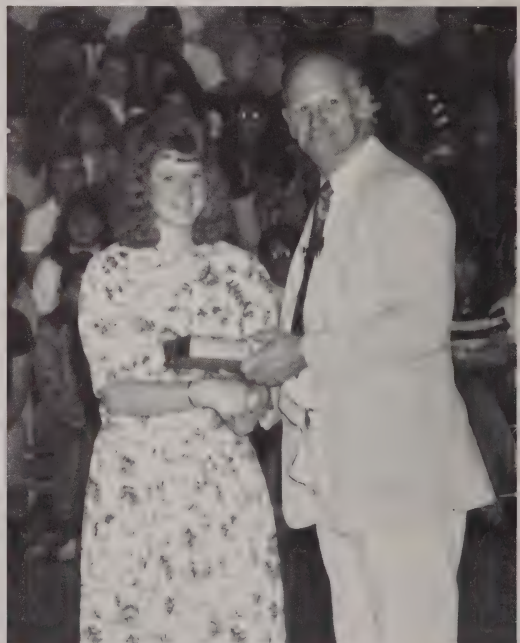

## **James A. Frates Award**

***Jennifer Digits***

The award was established in 1979 in recognition of an outstanding educator, Mr. James Frates, who gave his entire professional life to serve the people of Dighton and Rehoboth. The award is presented to that member of the senior class and National Honor Society who best exemplifies those qualities of membership in the National Honor Society, i.e. leadership, scholarship, service, and character.

Jennifer is ranked number one in her graduating class with a grade point average of 95%. She has been enrolled in eleven honors level courses through her four years of high school. She has won both The Mustard Seed Scholarship and a Chancellor's Four Year Full Tuition Scholarship to the University of Massachusetts. She is the recipient of the superintendent's award to the most outstanding student in the senior year. She has served as president of the National Honor Society and has maintained a four year average in Spanish of A+. She will be attending Wake Forest University with a major in pre-med.

*"Our greatest glory consists not in never falling, but in rising every time we fall" Oliver Goldsmith.*

The processional was of course *"Pomp and Circumstance"*. That was followed by the *"Pledge of Allegiance"* and *"The Star-Spangled Banner."* The invocation was delivered by the reverend Thomas C. Mayhew, pastor of Mt. Carmel Church in Seekonk, and *"The Lord's Prayer"* was sung by Allyson King. "Welcome!" from Leila Lizzotte was followed by three honor essays delivered by distinguished members of the Class of 1990. Mr. Sawyer, our principal, presented the awards and Mr. Almeida, chairman of the Dighton-Rehoboth Regional School Committee the long awaited diplomas. Then...benediction by the reverend Antone Saraiva of the Christian Life Fellowship...the recessional...and ...

Senior Honor Essay

"Our greatest glory consists not in never falling, but in rising every time we fall" A theme of this nature means something different to everyone who hears it. The symbolism that may seem apparent to a married adult may mean something else again to an eighteen year old. The purpose, then, of my speech is to try to explain what Oliver Goldsmith's motto means for me, a person who stands at the edge of her future, and is in some danger of tripping over it.

Thanks to the invention of the satellite dish, there is not at atrocity occurring anywhere that we cannot witness as if we were there ourselves. Anyone who watches the news can confirm that terrible things happen all the time. However, I believe that for all these terrible there are also people who try to make things right. There are all sorts of people out there, and in here, who believe in the difference between right and wrong, and that we as a people have the capacity to do right. That these people exist provides the human race with hope. It is about this hope that I would like to talk today.

It is because of hope that each of the people you see before you is graduating from high school, and it is hope again that they will seek to live successful lives after this afternoon.

Hope is glory, and it is the reason we can get up after a fall. It is the blessing and the cause of human nature that if there is even the slimmest chance for success, it is reason enough to try to rise up again.

I am going to college next year, and like my friends who will join the military or hold down full time jobs, my world is going to be turned upside-down. I think I have realized that although D-R is many things, most of all it is safe. It is frightening in a way to leave it. But I think our class motto grants a promise: It says, "Yes, you will mess up," but it also says, "Yes, the sun will still rise the next morning."

Oliver Goldsmith speaks of hope and resilience in his optimistic theory, and we will rely on those traits to pull ourselves through the next four years and, indeed, the rest of our lives. Hope and resilience are what make adaptation to change possible. For us, nothing is ever going to be the same again. The beliefs and ideal that we know to be true today will soon be abandoned in favor of new and better ideas.

Change never comes easily, but it does come often. We will overcome this, and all the other changes in our lives, because we believe in the hope that somehow there's a chance that the change will be better.

So I quickly sum up everything in the words of REM's Michael Stipe: "It's the end of the world as we know it, and I feel fine..."

Ann T. Kennon  
Senior Honor Essay

This class holds a unique place, not only in D-R's history but also in time, for we represent the beginning of this century's last decade. As we forge ahead to the year 2000, the importance of a sound education must be stressed. The students sitting proudly before you today are young men and women who have devoted 12 years of their lives to educating themselves, a feat certainly meriting attention. Undoubtedly, the journey from elementary school to high school has been a difficult one with many a sharp turn and fall. However, we as a class have remained dedicated, emphasizing the word of Oliver Goldsmith when he said, "Our greatest glory consists not in never falling, but in rising every time we fall." One of the eternal treasures that only learning can provide is enabling an individual to overcome the obstacles standing in the path to true knowledge.

In a sense, our teachers at D-R have served as our guides throughout our educational experience, providing us with invaluable lessons in contributing to the learning of another person. Our high school years have enabled us as both students and unique individuals to find and fulfill our potential as contributing members of society. In this difficult process, we as humane people have become more tolerant of diversity and more compassionate toward others; we are capable of distinguishing fact from opinion; we have become intellectually curious and aesthetically aware; and we have been broadly educated in depth in many areas of learning.

This class represents a group of vibrant young men and women who are prepared to respond flexibly and successfully to changing demands of the world of work. Most importantly, we have been taught to create and enjoy opportunities for lifelong learning.

The concern about life after D-R is inevitable; for some the road to knowledge leads them to college, for other the military, vocational school, or America's work force

are all viable options. Graduation signifies the end of our childhood education, yet it symbolizes the continuation of old friendships coupled with an eagerness on the part of each individual to mature and experience the pleasures that only the future holds. Characterized by a spirit unmatched by any other class, the class of 1990 will be remembered for their courage in seeking the very best education possible.

Amanda Jane Prata  
Senior Honor Essay

We have accomplished so much to get where we are today. We have survived the pressures of speeches, exams, term papers, and SAT's. All of us can agree that high school was a difficult time. It bought us happy times such as spirit weeks, proms, drama productions and sporting events. It also brought us tragedies such as the deaths of two classmates and the death of Ethan, our most beloved mascot. We have also seen our school literally torn apart and rebuilt in a fashion to accommodate the students of the nineties.

I can remember the first day of freshman year, I went home crying. I never thought I could survive in this new environment. I was filled with mixed emotions and I later found that I wasn't alone. We have all made friends within this small class of 193. Now we are all filled with sorrow because we are afraid to leave. After today, a chapter of our lives will be over, but we'll always keep close to our heart those teachers, coaches, and peers that have affected our lives so greatly. We are leaving behind our friends and security, but will be taking with us an education and four years of memories.

Oliver Goldsmith once said "Our greatest glory consists not in never falling, but in rising every time we fall." This is very important to keep in mind as we all leave here and go our separate ways. Some of us are going right into the work world, others into the service, and the rest of us will be attending school. Whatever we do we will all be dealt some trials and disappointments, that our years here at D-R have equipped us to handle.

At this time, we must do what Oliver Goldsmith says and rise to the occasion. If we don't rise then everything we have worked so hard for in the past 12 years will be wasted.

**1972-1988**

**Paul Lewis**

**1972-1989**

Everything today  
made me want to be with you.

I heard a song on the radio  
that reminded me of a time  
we were together,  
and I wanted to be with you  
to share it again. . .

I heard a story  
that made me laugh  
and I knew you'd think  
it was funny, too---  
I wanted so much  
to tell it to you . . .

When I was with some friends,  
I thought how much nicer  
it would be  
if you were there . . .

All my daydreams were about us,  
about where we've been  
and where we're going.  
I wanted to tell you about them  
because I knew you would  
make those dreams more real.

Everytime  
I thought about you today  
I thought about  
how much I love you,  
and how much I want you  
close behind me.
